

### Phuot tours

Air in Chinese New Year and summer weather makes moving more people "can not" sit home. Travel "phuot" is how many children you choose to list with the win as Fansipan, Muong Khuong, Y Tý ...

Just 4 days off is continuous enough for a trip recently discovered, just relax, do not admit that the chán. According to information from the travel company specializing in bringing guests conquering Fansipan, for more than 100 people on top of Fan in the New Year's Day festival and just. On average, a climb Fansipan need nearly 2.5 million - of ships, shoes, all, climbing gloves, chocolate eating sugar ... The schedule is convenient to the train to Lao Cai, on the car and go to Sa Pa mountain immediately. Will have at least 2 nights sleeping forest, drink spring water, eat cooked by Mongolia before on the train to Hanoi.

Also on the North West line, some young people choose to take the motorcycle to the train Hanoi - Lao Cai. Wedding motorcycles from Lao Cai to Muong Khuong, beyond wearing Pha Luong friends over to propel Si Ma Cai, playing shallow profile, and then returned to Bac Ha. A 4-day trip with exciting schedule so private money train car near the 500 thousand dong. Will spend more gas money, rent holiday, food costs are divided in groups.

The same "khí ng" best of "phuot" are concentrated in the mountainous Northwest. The schedule as attractive "Welcome 2009 on top of Fansipan", "Suong Giang Bac Ha," "The border Si Ma Cai" or "conquer egotism wearing top North West" with Beer, Pha Din, khu Co. khu and ferries. 1.400km long trip by motorbike in 4 days cost 600 thousand VND / person, is to travel to confirm, not for those who prefer to relax or weak health. Those who prefer to venture to choose is still afraid to ... weather. They do not fear but rét afraid to rain, will slow the process, even to the removal.

Has the same alcohol to the sea between the winter to feel what is "out the sea." Beach of choice is in Hai Binh and Hai Hoa (Tỉnh Gia, Thanh Hoa), wild, yellow people, services, lack of gold. The students of art or in the home thanks to Creation, so the sea was very familiar with the people in to ask. The owners only get food and not get comfortable at night. Transportation is the motorbike and schedule only 2 days 1 night, the price is too cheap, only about 300 thousand dong.

The first day the new tourism is still the choice of many young people and "phuot" remains attractive.
